

028 UPEC 792 Orientation Sessions

Do you have questions about the current effort to make Representation Unit 028 a Recognized Employee Organization (REO) represented by UPEC 792? If so, there are six additional Q&A sessions being held so that you can get answers to those questions. Please come to one of these sessions to see what UPEC can do for you. Ask any questions or voice any concerns you might have about organizing 028. Come anytime and you're welcome to bring a "brown" bag lunch.
